### General Conditions of Broadband Service Provision

- Standard waiting time from order to installation is 7 – 10 days.
- Free Superfast Wireless Router with each package
- 12-month Equipment Warranty
- Hardware maintenance/repair due to equipment fault is covered by warranty for first 12mths, lightening/storm damage is excluded as well as any fault/callout due to customer resetting routers, failing to correctly power up equipment or to ensure network cables are plugged in correctly as per the original installation.
- Maintenance calls for excluded faults are available on a chargeable basis as per Atlantek standard fees. (<https://atlantek.net/fees/>)
- Unlimited Data Per Month subject to Atlantek Fair Usage Policy (<https://atlantek.net/policy-documents/>)
- Subscription Options ( Monthly Direct Debit / Advance 6/12mth Payment )
- Local Customer Support - All faults in the general Erris area should be reported to Atlantek by calling (097)82255, Ballina area faults should be reported to (096)70658, Atlantek will log each call and endeavour to rectify by remote support, phone support or a callout. If you are not satisfied with the level of service or repair received, you may follow our Complaints Code of Practice on our website which can be found at (<https://atlantek.net/policy-documents/>)
- Each customer who recommends the broadband service to a friend or family will receive 1 free month subscription per recommendation. To qualify, confirmation of the recommendation must be confirmed to the installer no later than during the installation phase. Free months cannot be credited retrospectively following the installation date.
